Dear Church Family,

Events are quickly changing in our nation and in our churches! We have now been ordered to limit our gatherings to 10 people or less by Executive Order of our Governor. In light of this new order developing, we wish to comply for the safety of our congregation, our community, and our nation! As a result, our services on Sunday will be live-stream only at 10:30 am. We will be cancelling Wednesday evening activities, Sunday evening activities, and other activities until this is cleared for us to meet again. We regret we had to make this decision but feel it is the best decision in light of the current circumstances. I am a people person, love our congregation, and love the fellowship of our congregation but we need to be proactive! There is a possibility we will close the church office except for necessary times. We will continue to minister in the follow manner:

1. Pray this will end quickly and people will be safe.
2. Call and check on those in your small groups to see if there are any needs.
3. Let your deacon or the church office know if there are needs for getting groceries, medicines, etc.
4. Remember God is sovereign and will see us through. Jesus said, ***“Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid.” John 14:27***
