Hello Church!

Wow, it is hard to believe that our family has been here with you all for a little over a month! Thank you so much for the warm welcome and for allowing our family to become a part of yours! I'm excited to see what the Lord does in the coming days and I hope that you will continue to pray with me for His hand to guide us as a church.

I have referenced it before, but personally I am still leaning into the foundational truth found in Proverbs 3:5-6.

*"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him, and He will direct your paths."*

Such a simple but profound truth. Often times this type of truth is one that is so so easy to quote, but so so difficult to put into practice! Twice in that section of scripture the word "all" is used which can be incredibly difficult to actually apply. It is very easy to let the smallest amount of doubt creep in! I heard an old preacher say one time, "All means all, and that's all that all means". Haha! What a great reminder and challenge for us today. Trust the Lord fully with with *all* our hearts and in *everything* we do acknowledge him! In doing this we can stand firm on His promise that *"He will direct your paths"*. This is my prayer in my personal life and I hope it is our prayer for our church as well.

Thank you again for the warm welcome to me and my family, please continue to pray for us as we seek a permanent home, the kids adjust to new schools and Nan a new job. We are praying with you all to see the Lord do great things in our Church and our City!

Josh

I'm excited to share some new and exciting things happening with our music ministry as well as some ways you as a congregation can come alongside our ministry to help and support us. We've recently made some changes to accommodate some important additions to our worship service. One of those changes that I feel is paramount is the inclusion of a group prayer time. This is not only important for us to be able to pray for each other on a regular basis but also to lay the groundwork for our church to become a praying church, because a church that is united in prayer is powerful thing.

As we continue to consistently pray for our each other and our community, there are a few ways the worship ministry would like to ask you, the congregation, to pray for our ministry as we seek God's direction. The first and foremost thing we need prayer for is for God's continued blessing on our ministry. Even though our church has been going through seasons of need, God has been so faithful to provide over the years for exactly what we need. Now that we are looking to the future and what God has in store for us, we also ask that you would pray that God would send us talent in the form of instrumentalists and vocalists. As with any ministry, our first and foremost desire is to glorify God and proclaim the Gospel, but our desire is also to see our group grow as an effective outlet for ministry and service in the church. We will continue to bathe our ministry in prayer as we seek the Lord and His will and we are grateful to you for your continued prayer and support.

In Christ,  
Andrew Denton
