Church,

Sunday, October 5th, 2025 was a historic day in the nearly 75 year history of our church. On that day the decision was made unanimously to change the name of our gathering to Cornerstone Church. I am proud and humbled to be a part of a church with their eyes on the future of the church and a desire to do whatever is necessary to remain relevant and gospel centered in our community. One church member recently noted that we've always had a front door to the church, it is just opened wider now.

In the immediate you won't notice much in the way of visible change. Over the next several months though you'll start seeing our new name, graphics, and logo begin to appear as we prepare for a great "unveiling" to the community hopefully around the first of the year. One major expense that will be associated with this change is that we'll have to create new signage around the building. If you would like to be a part of this and give over and above your regular tithe, you can mark your check with "rebrand" in the memo line or pick the "rebrand" tab on the online drop down menu. 100% of these funds will go towards the rebranding projects.

These are historic and exciting days in the life of our church. But remember, while changing our name will help with public perception, we still must be diligent to personally engage a lost and dying world with the saving gospel of Jesus Christ. We've removed what we believe was a hindrance, but the only "golden ticket" for reaching people and growing the church is us faithfully sharing the gospel, praying for the Holy Spirit to work, and trusting that God will change lives and give growth.

It is a privilege to be your Pastor, and I am beyond excited to see what God continues to do in this place. Let's pray together that we honor God by making disciples who worship, grow, and go.

Pastor Josh
